Atlantic Books

Atlantic

Formed in 2000 and one of the founding members of the Independent Alliance, Atlantic strives to publish some of the very best fiction and non-fiction written today. Some of our recent successes include *My Sister the Serial Killer*, *Call Me By Your Name*, *Crazy Rich Asians*, *Wild* and *Why We Get the Wrong Politicians*. We're looking to partner up with an independent bookshop to build an ongoing relationship of cross-promotion and solidarity, so if you're interested, please email marketing@atlantic-books.co.uk to introduce yourselves.

Belle Media

Belle Kids are very interested in working with a small number of Scottish bookshops. They'd propose focusing on their *The Adventures of Captain Bobo* - picture book series aimed at ages 4-6. The stories have a strong Scottish focus and are linked with the iconic Clyde paddle steamer *Waverley*. A radio series starring John Sessions was broadcast last Autumn. The next book titled *London* is due to be published on 1st July and takes the story outside Scotland. Gaelic versions of the series are also being published this year with support from the Gaelic Books Council.

Belle Kids can offer :
